

# TRAFALGAR CUB120

PETROL POWERED OUTDOOR LEAF, LITTER & DOG FAECES VACUUM COLLECTOR WITH TROLLEY

**This 4 stroke petrol powered vacuumed wheelie bin collects debris via a 3", 4", or 5" flexible hose into a 120ltr bin, the CUB120 is Trafalgar Cleaning Equipment's latest design in mobile leaf, litter, and dog mess collection.**

Launched in 2014 the CUB 120 is our latest design in leaf, litter and dog faeces removal. This 4 stroke petrol powered vacuumed wheelie bin collects debris via a 3", 4", or 5: flexible hose into a 120ltr bin.

The bin can be lined with a plastic bag for easy emptying. The CUB 120 is mounted on a braked steel powder coated frame with storage for extra fuel which allows for continuous work throughout the day.

### Powered by HONDA

The Honda GXH50 four-stroke petrol engine is the best in market delivering superior performance and reliability, easy starting, fuel efficient performance, day in and day out.
