

TRAFALGAR PC50 STREET VAC

POWERFUL MOBILE LEAF, LITTER AND DOG FAECES COLLECTOR

This powerful mobile petrol leaf, litter and dog faeces vacuum collector is ideal for smaller paddocks and yards.

The PC 50 Street Vac is ideal for smaller paddocks and yards and is the ideal solution for those difficult to access areas.

The PC 50 Street Vac opens up a new concept in the way you collect litter or contaminated materials, like dog faeces. The ideal solution to cleaning in the most inaccessible areas and is powered by the new Honda GX25 engine, a new concept in low noise 4-stroke engines.

Totally mobile and perfect for getting into those hard to reach and inaccessible areas

Holding up to 50 litres of rubbish which is collected through either a 5" or 4" vacuum hose (3" vac hose is used for collecting dog faeces), this allows the operator to go literally anywhere and collect rubbish and contaminated waste.
