

The **NEW PC 100H Barrow** is the perfect solution for cleaning around the paddock and yard!

The NEW PC 100H Barrow is the perfect work solution for around the paddock and yard saving hours of poo picking or leaf collecting by hand and saves on all that manual labour.

Set on a lightweight yet rugged barrow frame construction, the PC100 can be easily pushed and pulled around the yard or paddock with ease and just like a wheelbarrow. The PC 100H operates exactly the same as all our other Paddock Cleaners but without the need for an ATV! and as with all of our Paddock Cleaners they just make life that much more easier for cleaning your paddock and yard.

Now with wider and tougher terrain wheels, and with a new and improved fan system this machine is perfect for horse and alpaca paddocks and yards. The advantages of the clean fan system design means no muck passes through the fan reducing the chance of blockages.

Features of the Paddock Cleaner

- The Paddock Cleaner perform in any conditions, wet or dry
- Due to popular demand, there is now a 4 stroke Honda powered version available
- The four stroke engine eliminates mixing two stroke fuel
- The clean fan system means no muck passes through the fan
- The advantages of this design are less chance of blockage, easy to clean, reduced maintenance and wear
- You will also find that The Paddock Cleaner has many other uses around the estate. For example, collecting leaves litter and cleaning water troughs
